# About Us

Lucky Paws is a non-profit animal rescue that provides a cage free living environment to dogs, cats, bunnies and many other animals that have been rescued. All Lucky Paws animals are vetted, socialized with volunteers and given a real home-like environment until adopted. If an animal is not fit for adoption, that animal will live its life out with us, as we are a no-kill rescue. We screen all potential adopters as they must be ready to make a lifetime commitment as all animals deserve a forever home. In addition to rescuing, we also provide animal welfare classes, hold fundraisers, and have even started going green! To us, all lives matter and taking care of our environment is just as important!

Lucky Paws hopes to inspire fellow rescuers as well as humankind that being compassionate towards all living things not only helps animals and our environment, but also helps us to help each other.

## Looking to Volunteer?

**WE'D LOVE TO HAVE YOU JOIN US!**  
Volunteers are always needed and appreciated! There are many different volunteer opportunities available; tell us what your interests are and we'll see if we can find you a good fit!

We ask that our volunteers be at least 18 years of age and other than that, the possibilities are endless!

Kelly Perry of Lucky Paws provides animal welfare classes to ages pre-school up to high school in various school districts, community service groups, and churches. Discussions vary on age appropriate material and understanding. They may include but are not limited to spaying and neutering, the importance of animal welfare and rescue, lifetime pet ownership, positive training, different breeds and their needs along with a question and answer time allotted.

We even have our own team of teaching animals, many who join us when we visit schools!

For more information, please contact Lucky Paws via email at: [LuckyPawsAnimal@gmail.com](mailto:LuckyPawsAnimal@gmail.com)
