

# Puttin' Fore The Paws!

*To our dedicated Golfers, Volunteers, Friends and Family,*

*After much consideration and with the safety of all in mind, May's Puttin' Fore The Paws Golf Tournament is being postponed until the Fall of 2020.*

*While we will miss seeing everyone at this fun and beloved event, we would rather take extra preventative measures regarding the novel coronavirus (Covid-19).*

*This event is a major fund raiser for us and we need the revenue to continue our mission. Any donations provided during this time will be greatly appreciated.*

*We wish everyone their health and safety and look forward to seeing you all later in the year.*

*Yours Truly,  
Lucky Paws*
